

EDITOR'S NOTE

Bulletin No.4 is the second of two issues for 1986.

Since there are many new members for whom this is the first ASSH Bulletin, I again request information and material for the next Bulletin which will probably be published for distribution at the **Sporting Traditions VI Conference** in Melbourne in May, 1986.

Please send Conference reports and publicity; overseas news; appeals for information; research in progress; outlines, ideas and methodologies for teaching sport history subjects; bibliographies on specific topics; recently completed books, articles, theses, etc. by members; research problems and topical issues.

COPY DEADLINE for the next edition is **March 31, 1987**.
