

EDITOR'S NOTE

As I mentioned in BULLETIN No.5, I presented a report about the BULLETIN at the Executive Meeting of ASSH in Melbourne in May. Perhaps I should never respond to flattery because it was recommended that I remain as Bulletin Editor and that the number of editions be increased to 3 each year. This new policy will be implemented in 1988 so please forward to me items, articles, and ideas for the BULLETIN.

COPY DEADLINE for the **NEXT EDITION** is **March 15, 1988**.
