

EDITOR'S NOTE

This is the first of 3 editions of the ASSH Bulletin in 1988 - an outcome of an ASSH Executive recommendation. I would be delighted to receive comments about the Bulletin from ASSH members when they forward items, articles and ideas for the next edition. Even better, let's discuss matters at the World Expo '88 International Conference on the History of Sport and Leisure in June.

COPY DEADLINE for the **NEXT EDITION** is July 15, 1988
