

**CANBERRA CRANIUMS**  
**(Canberra Chapter of ASSH)**

**The Craniums are back in business.**

A programme has yet to be established for 1991 but our first offering is to be a social evening that includes a screening of *Eight Men Out*. This is a great movie based upon the 1919 World Series and the White Sox scandal.

Remember, if you have any interested contacts please bring them along. A different format is envisaged for 1991, with far more variation. Formal paper presentations are to be restricted to a select few.

A.S.S.H.'s *Sporting Traditions* Conference, to be held at the A.I.S. 11th-14th July, will be a feature for us this year. A star cast of overseas and local talent has been lined up. Put it in your diary.
