

The Longest Walk

Dots Miller and Chief Wilson were talking baseball yesterday and incidentally discussing a game lost by the Pirates. Miller had struck out, as had Wilson.

"Chief," said Dots, "do you know what is the longest walk in the world?"

"No, I don't," replied Wilson. "What is it?"

"Well, it's the walk from the plate to the bench after striking out," said Miller, and Wilson agreed with him.

"That's one time," added Miller, "when a ball player doesn't know what to do with his hands and feet."
