A GOOD WORD FOR BILL LANGE

"**N**OW that I've had twenty years to think," says the veteran, Jake Stenzel, "I've almost made up my mind that Bill Lange was the greatest ballplayer whom I ever saw. His fielding and base-running gave him, I believe, the edge over Eddie Delehanty, who was the hardest hitter that ever lived. Yes—I saw them all come and go, and, after a world of thinking, I've almost decided to choose Lange as my champion ballplayer of all time."
