
College Football Historical Society

VOL. I, NO. I.

AUGUST, 1987

Welcome, to the premier issue of the "College Football Historical Society" Journal.

College football historians have long felt the need for a publication that would provide in-depth research articles on their favorite topic. Information that is readily available in the daily newspapers or from general reference works doesn't satisfy the needs of the true aficionado.

The publication that you're holding is the result of many months of planning by the Editorial Staff. It has been our goal to make available to you, the kind of information about college football's storied past that needs to be widely shared. Many football historians have encouraged us to put together such a publication that would tell the stories of the teams and men that form the games' great past.

The "College Football Historical Society" Journal will be published quarterly, with the issues appearing in February, May, August and November. The next issue will be the November, 1987 number.

Each issue will be sixteen pages of articles on a variety of topics from different periods of the game's history, and we'll include some illustrations where appropriate. There'll also be a "Letters to the Editor" section in each issue.

The cost of a one year subscription to the Journal is \$10.00 per year. For that subscription you'll receive four issues packed with stories of the game's past, and at a cost comparable to other publications.

A check or money order in the amount of \$10.00 for your subscription should be made payable to:

R. Schmidt
24 Rockbluff Way
Lockport, Illinois 60441

This first issue has been sent to you as a sample, and the staff here sincerely hopes you enjoy our efforts. If you'd like to see the next number of "College Football Historical Society", we need your subscription support! If you know other college football historians, be sure to tell them about us also.

Now sit back, relax and enjoy the premier issue of the Journal.
