Sideline Chatter

This month the University of Illinois Press is releasing a new biography on Red Grange, which was written by Society member John Carroll. Most members will remember John's acclaimed, earlier biography on Fritz Pollard. If his new book is at the level of his Pollard work, this new Grange biography will most likely come to be regarded as the "definitive" work on the Wheaton Iceman. John is offering copies of his new Grange biography at a 25% discount for CFHS members. To obtain a copy, send a check for $21, payable to John Carroll, to:

John Carroll 3825 Holland Drive Beaumont, Texas 77707

CFHS member Ralph Sowell is looking for a videotape copy of the famous football movie, "Spirit of West Point", which starred Doc Blanchard and Glenn Davis. If you can provide any leads, please give Ralph a call at (901) 748-5427; or write to him at:

Ralph Sowell 507 Duscoe Street Collierville, Tenn. 38017

CFHS member Mike Sanders is still offering the hard-to-find coaches copy videotape of the 1959 Kansas State vs Nebraska game; and Nebraska loses the game no less. A copy of this rare, complete game, 35-minute VHS video can be obtained by sending $15 to:
