

Shinnecock Yields

After resisting for over 35 years all attempts on the part of players to make a hole-in-one the famous old Shinnecock Hills Golf Club course recently succumbed and had its first hole-in-one, and by a woman player, too, when Mrs. Henry W. Torney, daughter of Seelye Benedict of Southampton, sent her ball straight from the men's tee, 160 yards and into the hole. Mrs. Albert Jaeckel was her partner and attested the score. Charlie Thom, professional at Shinnecock for twenty years, saw the shot and said it was the first hole-in-one he had seen.
