

MESSAGE FROM THE SECRETARY-GENERAL

Hello from Durham and I hope all of you have enjoyed the recent Holiday Season. With this issue we begin our third volume of *Citius, Altius, Fortius*. I hope that you are continuing to enjoy the journal and also learning from it. The articles I have received continue to be of higher and higher quality, which makes my job much easier. My standard call for articles will not abate, however, so if you have material of interest to our membership, please send it along. Issues are currently planned for January, May, and September of each year. I try to keep to this schedule as best I can. If you wish to submit any articles for inclusion in a specific issue, it should reach me six (6) weeks before the beginning of the above months. I cannot guarantee that it will be used, nor can I guarantee that I can use it in the next issue, but, if it is topical, I will attempt to do so.

Included with this issue are multiple enclosures, as you have surely seen by now. First of all, the 1995 roster, which details the membership through mid-December 1994, is included. Also included is a membership renewal request form. If your dues are not paid for the coming 1995 issues, please take the time now to do so. Also, if any of the personal information on your form is incorrect, please let me know and I will correct it. Finally, I have included the initial form of the ISOH Constitution, which has been approved by the ISOH Executive Committee. Within this issue, you will also find the 1994 end-of-year financial statement.

All from here today. Please stay in touch and let me know your thoughts concerning the journal or if you have any letters or comments which you would like to publish in future issues.

Bill Mallon
Secretary-General
