

DEADLINES FOR NEXT ISSUE

The Winter issue of the *Journal of Olympic History* will be published and mailed in mid-January 1998. Articles must be submitted to the editor-team before 1 November to be considered for possible inclusion in the upcoming issue.

Articles, or article ideas, should be addressed to *Journal* Editor Tony Bijkerk. Tony's address is listed on the mast-head on Page 2.

When submitting an article, Associate Editor Steve Harris requests that no formatting be done. Guidelines on how an article ought to be designed are, of course, welcome. However, previous formatting, i.e., indentations, margins, italics, etc., are oftentimes not compatible to the desktop publishing program used by the *Journal*, and sometimes require special work.

As you notice in this issue, photographs are now being used. Steve also requests that care be taken in the quality of the art work. In some instances, the artwork may not be clear enough to reproduce well. Steve will take as much care as possible to ensure the quality of all artwork.
