BOOK REVIEWERS NEEDED

Dear Readers:

I have been selected to serve as book review editor for the *Journal of Sport History*. I am replacing Larry Fielding, who is stepping down to devote his efforts toward managing a successful convention next year in Louisville.

I want to maintain the high quality reviews that Larry developed. In addition, the Publications Board would like to expand the number of books reviewed in each issue. For this, we need your help and commitment—to scholarship and to *deadlines*.

If you would like to review books for *JSH*, please send me the following information:

Name, address, phone number, current position

Dissertation title

Degree granting institution and major advisor

Title and place of two latest historical publications

Areas you feel competent to review

Please note that individuals not affiliated with an academic institution are *encouraged* to volunteer. Also note that the editors will not honor either unsolicited reviews or requests to review specific books.

Thank you for your support.
