Bi-Annual Election Approaches

The Bi-Annual Election of NASSH officers (President-Elect, Secretary-Treasurer, 3 Members-at-Large) and one member of the Distinguished Lecturer Committee will be held in January, 1977. This is the second call for nominees. You may become involved in the nomination process in two ways. First, you may send your suggestions, as many as you choose, to the Nominating Committee to be considered by the Nominating Committee. Second, you may have a name placed on the ballot in much the same way that you would make a nomination from the floor. Should you wish to do this, you must submit the candidate's name and written permission, along with a one-page vita, and the signatures of four NASSH members in addition to yourself, supporting the nomination. Both your general suggestions and specific nominations must be in the hands of the Chairman of the Nominating Committee no later than January 1, 1977. The Chairman is: Prof. Mary Lou LeCompte, Department of HPER, University of Texas at Austin, Austin, TX 78712. Other members of the nominating committee are Alexander Young and David Voigt.
