

# Sport Periodicals Microfilm Help

Arne Richards, Kansas State University librarian and Donald Mrozek, in the KSU History Department, both NASSH members, are attempting to complete a special sports periodicals microfilm package of 19th and early 20th century publications. Richards is having difficulty finding various volumes of six periodicals so that Greenwood Press can publish the series completely. If you know of a library which has the following missing items, please write to Arne Richards, KSU Library, Manhattan, KS 66506, or call Rochelle Field, Greenwood Press, Westport CT 06880 (collect at 203-226-3571.
