
Directory of Scholars

Members of NASSH who would like to a second issue of the Directory of Scholars in Sport History published should let their wishes be known to the chairman of the Publications Board, Bruce L. Bennett, 1760 Neil Ave., Ohio State University, Columbus, OH 43210. The first 35 page volume was published in 1975 and included 131 individuals who indicated their involvement in four areas: 1) special areas of interest in sport history, 2) present research concerns, 3) areas of publication and formal presentations, and 4) courses offered. If sufficient interest is shown, a second "Directory" will be published.
