
Roster of Historians of Women

The Organization of American Historians has published a ROSTER OF HISTORIANS OF WOMEN, a compilation of the names and credentials of more than 130 scholars who teach and write about the history of women in America. Organized geographically by state and alphabetically by surname within each state, the roster provides for each historian listed an address, institutional affiliation and rank, degrees and dates, dissertation topic, area of specialization, and publications. The criteria for inclusion were teaching experience in women's history or publications in the field. Graduate students writing dissertations in women's history were also included.
