

# CONSTITUTION COMMITTEE REPORT

At the request of the Executive Committee, the Constitution was studied for the purpose of changing it into a corporate status.

Under a separate report, the results of the study are recommended for consideration by the Executive Committee.

Because of the nature of the content of a corporate structure, it was necessary to change the remainder of the Constitution into By-Laws. This also has been accomplished and is ready for study by the Executive Committee.

Respectfully submitted,  
Marvin H. Eyler  
Chairman
