
MEMBERSHIP COMMITTEE REPORT

This past year the Membership Committee completed its drive to increase institutional membership in NASSH. A packet consisting of a *Journal of Sport History* and a cover letter was sent to selected libraries. The secretary-treasurer reported to the committee that he had noted a rise in institutional membership this past year. Hopefully this was due to our efforts.

The committee also tried to gain publicity for NASSH in magazines such as *Sport's Illustrated*. This, however, was not pursued aggressively.

Respectively submitted,
Maxine G. Hunter
Chair, Membership Committee
