

# Membership Committee Report

I regret that I was rather inactive this year as chair of the membership committee. I did however, decide NASSH should be advertised to other historical societies, particularly our annual meeting. Secondly, on the suggestion of Ron Smith, I plan to check our list of institutional members against individual membership. If we have an individual member, but no institutional member, I intend to solicit the individual to ask their library to join NASSH.

Sincerely,  
Maxine G. Hunter  
Chair, Membership Committee
