

Secretary-Treasurer's Report

STATEMENT REGARDING THE FINANCIAL SITUATION

Total membership for 1984 dropped slightly due principally to a decline in regular individual members. This is only a temporary decline as 1985 membership is already above the total for 1984. Only because of an extraordinary subsidy by the University of Louisville for the 1984 convention did we not sustain a financial loss in 1984. With the move of the editorship from Jack Berryman at the University of Washington to Steven Reiss at Northeastern Illinois University, we can expect a slight rise in the cost of publishing the Journal of Sport History in 1985. I am recommending to the NASSH Council that we raise our low institutional dues from \$30 to \$35 beginning in 1986 to cover the anticipated loss in 1985.
