NASSH PUBLICATION BOARD—EXTRA SESSION

29 May 1990

Banff, Alberta Canada

Present: B. Barnett, A. Lumpkin and D. Wiggins

Absent: J. Tygiel and S. Hardy

Steve Riess requested the PB to meet and provide him with guidelines for the reprinting of *JSH* special issue by other presses. He has had requests to reprint both the German and Gender issues. The PB recommended that he follows the established policy of selling one time reprint rights to *JSH* articles for \$100. Hence an issue with six articles would sell for \$600 for a press run of 1000 volumes. Past 1000 volumes NASSH should request 10% to 15% of retail sales. The income generated from these sales will be distributed with one-half to NASSH and one-half divided among the authors. These are guidelines only and are not policy until approved by NASSH council.

Respectfully Submitted,
C. Robert Barnett
