

*ANNOUNCEMENT OF THE SECOND
INTERNATIONAL SYMPOSIUM FOR OLYMPIC
RESEARCH*

The Centre for Olympic Studies is pleased to announce that its Second International Symposium For Olympic Research will be held at the University of Western Ontario in London, Canada in January 1994. Once again, the Symposium will focus upon the socio-cultural (e.g., historical, philosophical, sociological) dimensions of the Modern Olympic Movement. Preliminary information may be obtained from, and submissions for potential presentations should be addressed to:

Dr. Klaus V. Meier, Program Chair
Second International Symposium for Olympic Research
Centre for Olympic Studies
Thames Hall / Faculty of Kinesiology
University of Western Ontario
London, Ontario, CANADA N6A 3K7

Further Information will also be published in Volume II of *OLYMPKA*, scheduled to go to press in early 1993.

*ANNOUNCEMENT OF THE
1992 OLYMPIC SCIENTIFIC CONGRESS*

The 1992 Olympic Scientific Congress focussing on *SPORT AND WELL BEING: ISSUES AND PROBLEMS* will be held in Malaga, Spain, July 14–18, 1992. For information, contact Mr. Pedro Aragon Cansino, General Manager, Olympic Scientific Congress, Unisport Andalucia, Ciudad Deportiva de Carranque, Avenida Sta. Rosa de Lima, 29007 Malaga, ESPANA.
