CURLING.

THE fourteenth annual contest for the Mitchel medal, which is played for alternately in the East and the West, was this year played on the Thistle Club rink, at Hoboken, N. J., on January 19th and 20th. Of the local teams Yonkers have always stood high in this contest, having won the medal five times, but this year their team were put out in the semi-final by Van Cortlandt team, that finally won the medal. Eleven teams were on hand to draw for the first round. It was typical curlers' weather and the ice was in splendid condition.

The following are the scores by rinks:

The seventh annual bonspiel of the Northwestern Curling Association was commenced on January 16th, at St. Paul, Minn., and continued for the rest of the week. Twenty-two rinks were entered, Canada being represented with seven. St. Paul supplied eight rinks. The other cities represented were Chicago, Milwaukee, and Baraboo, Wis.

The principal event of the week was the International trophy, in which the Canadians proved easy winners. The preliminary and first two rounds were played during the bonspiel, but the final, resting between two Canadian rinks, was contested for on the Granite rink, at Winnipeg, the week following, the scores follow:

The St. Paul Curling Club trophy, contested for by American rinks only, was won by S. Hasting's Minneapolis rink, who defeated E. J. Marriott's Baraboo rink, by a score of 11 to 11.

The Championship medal for the "skip" winning the greatest number of games was won by S. G. Harstone, of Granite rink, Winnipeg, with a total of nine games.

For the first time in three years the curlers of New York and New Jersey met in the Interstate championship, and the Hamilton medal. The games were contested on the Hoboken rink, on February 1st.

Under the conditions on which Mr. J. L. Hamilton presented the medal in 1876, the "skip" on the winning side whose team makes the highest score is entitled to the trophy for one year, or until played for again, and this year it goes to T. Archibald, skip of Caledonian (No. 1).

Nine teams from each State were in the contest. It was the first match played indoors. The championship has been contested for eleven times, New York having six victories and New Jersey four, one of the matches won by New York not being counted.

A summary of the games by rinks follows:

<i>New York.</i>	<i>New Jersey.</i>

ICE HOCKEY.

THE Intercollegiate League has furnished some of the best games of the year, and the colleges will probably furnish plenty of championship material in future years, much of it equal to the imported variety. It is unfortunate that Harvard is so far

from the rinks used for the intercollegiate games that she could not be represented in the championship series; but her outside games against Yale and Brown will probably furnish opportunity for comparison of her skill with that of the best teams in the organization.

The games of the Amateur Hockey League in the latter portion of the season showed little or no improvement upon the roughness and rule-breaking so notorious in the earlier games.

The record of the Amateur Hockey League for the first half of its schedule follows:

Jan.	5—New York A. C., 2; Montclair A. C., 0.
	6—Brooklyn S. C., 3; New York H. C., 2.
"	11—Brooklyn S. C., 9; Montclair A. C., 1.
"	12—New York A. C., 2; St. Nicholas S. C., 0.
"	17—Brooklyn S. C., 4; New York A. C., 2.
"	19—New York H. C., 6; St. Nicholas H. C., 0.
"	24—Montclair A. C., 5; St. Nicholas S. C., 1.
"	26—New York A. C., 1; New York H. C., 1 (tie).
"	31—Brooklyn S. C., 6; St. Nicholas S. C., 1.
Feb.	2—New York H. C., 2; Montclair A. C., 1.

The standing of the clubs at the end of the first half of the schedule was as follows:

Clubs.	Games			Goals Scored:

Brooklyn S. C.....	4	0	0	22	6
New York H. C.....	2	1	1	13	7

Montclair A. C.....	1	0	3	7	14
St. Nicholas S. C.....	0	0	4	2	10

The schedule for this month is as follows:

- March 2—New York H. C. vs. Montclair A. C., at New York.
- March 7—New York A. C. vs. Montclair A. C., at New York.
- March 9—St. Nicholas S. C. vs. New York H. C., at New York.

ATHLETICS.

THE joint indoor meeting of the Knickerbocker Athletic Club and the New Jersey Athletic Club, held at Madison Square Garden, on January 13th, was from all points a great success. Over two hundred entries were on the programme, and the attendance was all that could be desired, notwithstanding the fact that the weather was far from agreeable. The track was laid out at ten laps to the mile, without any grading at the curves. The committee wisely set the general admission fee at twenty-five cents, and the result was well-filled galleries. If this popular fee were asked for admission to some portion of the grounds at all our athletic meetings, I think we should hear less complaints of poor attendances and lack of enthusiasm. The boxes and reserved seats were also well filled.

The principal features of the programme were the five-mile championship, the inter-city relay race and the sprinting events.

The sixty-yard intercollegiate dash brought out some very good performers, and was credited to the University of Pennsylvania, by their excellent representative, J. W. Tewkesbury. Tewkesbury improved on his performance of last year, when in the same building he won the sixty-yard handicap from 3 1-2 feet in 6 3-5 seconds. At this year's meeting he was off his mark like a shot from a gun and covered the full distance in 6 2-5 seconds, a new record for indoors.

The relay race between the Boston Athletic Association and Knickerbocker Athletic Club teams proved quite exciting. Boston was represented by a good team of ex-college runners, and had it not been for the valuable services of H. E. Manvel, who made his first appearance for the Knickerbockers, Boston would have been hard to beat.

In the half-mile handicap, which is Manvel's favorite distance, he found the handicaps more than he could overcome and finished third. The winner received forty yards, and second man forty-five yards. Manvel covered the distance in 2m. 5 3-5s. John Cregan had a very easy task in the intercollegiate half-mile. kept close behind Mosenthal until the last lap and then ran away from him, an easy winner by fifteen yards.

The half-mile inter-scholastic handicap brought out a promising lad as winner in J. E.

Perry, who ran well throughout the race, and finished in very good time.

The five-mile championship was an excellent race between the brothers Grant. Dick Grant led the way for the greater part of the distance, and at four miles and a quarter set out to spurt, and gained a lead of full fifty yards. His brother soon put on pace and gradually drew up, until at two laps from the finish he was not more than five yards behind. At the last lap the Grants put up a great race, both running as though it were the finish of a mile. About one hundred yards from the tape Alex went in front and finished a winner by five yards, but his time was not as good as last year in the same event, when he finished first in 27m. 20 2-5s.

The shot-putting event was carried out on an unusual plan for an indoor meeting. A piece of the floor was taken up, making a pit about two feet deep for the shot to drop into.

The summary follows:

60-yard handicap—Final heat, won by A. H. Kent, St. Bartholomew A. C., off; A. W. Wallace, unattached, 15ft., 2; Frederic Flores, St. Bartholomew A. C., 6ft.; 3. Time, 6 2-5s.

440-yard handicap—Final heat, won by Victor Andrews, Pastime A. C., 28yds.; C. T. Meyers, N. J. A. C., 18yds., 2; R. T. McKennery, Pastime A. C., 17yds., 3. Time, 53 3-5s.

Bannister. Time, 2m. 50 4-5s. The Boston A. A. team consisted of H. L. Dadman, F. W. Lord, T. P. Curtis and W. Mansfield. Time, 2m. 52s.
