Dear Readers:

With its next issue, *Soccer America* will unveil the most exciting changes in its 30-year history.

We've been planning and preparing for months (and with great difficulty keeping the lid on our biggest announcement ever!). To put the final touches on this historic debut we will take a one-issue printing break. We believe you'll find the results well worth the wait!

Your next issue of *Soccer America* will have the May 14, 2001 cover date.

The mission of *Soccer America* is to "serve, develop and support America's soccer fans." We are very excited about fulfilling that mission in a way that will truly reflect the vibrancy of soccer in the USA and the world.

We're looking forward to spending at least another 30 years with you!

Warmest regards,

Clay Berling
