**FEBRUARY POLL
OFFSEASON MOVES**

MLS heads into preseason training after another winter filled with player movement. It began with waivers and continued as teams traded players to get under the salary

cap. They used the SuperDraft to stock up on young talent and fill gaps in their lineups. Which MLS team strengthened itself the most with its offseason moves? Which MLS team strengthened itself the least/hurt itself the most with its offseason moves? Here's your chance to evaluate the moves MLS clubs have made. Voting runs through Feb. 15.
