Winchester Factory Loaded Shells

AGAIN WIN THE

GRAND AMERICAN HANDICAP

THE

Preliminary Handicap and Other Honors.

R. R. Barber, an amateur from Paullina, Iowa, won the big event at Indianapolis from a field of 335 of the best shots in America with a score of 99 out of 100, and the preliminary with a score of 98 out of 100. In the Consolation Handicap he scored 97 out of 100, and he also made a run of 157 straight. Mr. Barber's scores of 99, 98 and 97 establish a New World's Record for the three handicap events. This new Togo of the shooting world; W. R. Crosby, who won the first professional average with a score of 298 out of 300; Fred Gilbert, who won second professional average with a score of 295 out of 300; and the winner of the high amateur average all shot Winchester Factory Loaded Shells, the reliable, the uniform, the winning kind—the only kind to shoot.

TRAP IN VIRGINIA.

The Richmond Gun Club Tournament Won by Boyd.

Richmond, Va., July 10.—The fifth annual tournament under the auspices of the Richmond Gun Club, on July 4, was in all respects the greatest ever held in this city. With fifty-three participants, the greatest number ever taking part in a tournament here, and with nine events shot off and something like thirteen thousand shells fired, the tournament was the greatest feature of the local celebration of the Fourth.

A more propitious day for a July tournament could not have been had. There was a delightful breeze all day, yet not sufficient to deflect the targets.

The shooting began at 9 A. M. and continued until about 7 P. M., with an intermission for lunch, which was served on the grounds. A sixty-foot tent flying a big American flag, afforded shelter for the gunners, and everything was done for their pleasure and comfort that could have been suggested.

The high amateur average was made by Mr. W. R. Boyd, of this city, with an average of ninety-two per cent., breaking 184 out of his 200 targets. Second high amateur was won by Mr. H. S. Winfree. Messrs. J. A. Anderson, of this city, and Killett, of North Carolina, tied for third honors among the amateurs, with averages of 87½ per cent., capturing third prize each. Mr. W. A. Hammond was fourth. Messrs. M. D. Hart and W. S. McLelland tied for fifth honors, with a good average. Mr. Boyd won a handsome silver cup, donated by the Dupont Powder Company.

In the cup race, distance handicap, championship of Richmond, H. K. Ellyson won on 42 out of 50. Messrs. Boyd and Hammond broke 41 each. This event carried a beautiful cup, and Mr. Ellyson received many congratulations.

In the professional class Neaf Apgar, representing the Peters Cartridge Company, won the first prize, $5 in gold, with a brilliant performance, dropping only 13 of his 200 targets.

The special event of 20 targets, under handicap regulations, Dr. B. L. Hillsman won on a perfect score and received the beautiful badge.

In the eighth event for the Hunter Arms Company's badge, Mr. McLelland won first honors. This event was at 10 pairs and 10 singles, a total of 30. Mr. McLelland smashed 26 of the 30. Messrs. J. A. Anderson, C. E. Fultz and W. R. Winfree, W. L. Boyd and W. A. Hammond tied for second place, with 24 out of 30, and divided $7 among them.

The trade was represented at the shoot by Neaf Apgar, of the Peters Cartridge Company; H. K. Ellyson, of the Austin Cartridge Company; E. W. Sanford, of the Union Metallic Cartridge Company, who assisted the local management in the direction of the tournament.

J. A. Anderson, of this city, managed the shoot, and, despite his responsibilities, shot remarkably well, as the scores show. Among the gunners from other cities who participated in the tournament were Messrs. C. W. Scott, H. L. and W. R. Winfree and Dr. W. W. Dennis, all of Lynchburg; Thomas F. Stearns, of Newport News, and P. A. Agelasto, of Norfolk.

Messrs. Thomas Tignor and Franklin Stearns, of this city, looked after the office work in connection with the tournament.

TRAP IN MARYLAND.

E. H. Storr Carried Off the Honors at the Cambridge Shoot.

Cambridge, Md., July 10.—The shoot on the grounds of the Cambridge Gun Club on July 7 was one of the biggest events ever held on the Eastern Shore. About 35 shooters were at the traps, and some great scores were made. Mr. E. H. Storr, of the Peters Cartridge Company, was high gun during the day with the score of 162 targets out of 165. This is by far the best score ever made on these grounds.

The events were shot off without a hitch, and the managers of the club deserve great credit for the manner in which the races were shot off. The visiting shooters all expressed themselves as more than pleased with their day's sport, and the next shoot of the club will no doubt be a great success. On Saturday morning Mr. J. M. Hawkins gave an exhibition shoot, making 50 straight targets. The following scores were the result of the day's shoot:

TRAP IN ARKANSAS.

J. M. Pemberton Defended the State Target Championship.

Little Rock, Ark., July 12.—John M. Pemberton retained the State individual championship at 50 clay pigeons, unknown angles, by defeating S. M. Powell July 7 at the grounds of the Capital City Gun Club. The score was: Pemberton, 41; Powell, 40, and the shoot was one of the most exciting which has taken place in some time. At times Mr. Pemberton was in the lead and then Mr. Powell was ahead. Mr. Powell again challenged Mr. Pemberton for the championship, and the shoot will probably be held about July 21.

The shoot for the silver cup trophy was won by W. P. Bird, with a score of 21 out of 25. S. M. Powel, Ashley Cockrill and Baldy Vinson tied for second, with 20 each, and Tom Younts was third, with 19.

In the practice events the following good scores at 25 targets were made: Baldy Vinson, 24; J. M. Pemberton, 23; Harold Engstroum, 22; Mr. Cleaver, 21; W. P. Bird, 21; Ashley Cockrill, 21.

It has been suggested that a tournament be held about August 23 and 24, and the club will probably take some action in regard to the matter at the shoot next Friday. It is estimated that about 30 shooters from different points in the State will attend and shoot through the program.

The scores were as follows:

Catskills, N. Y., July 7.—Editor "Sporting Life."—The Fourth of July shoot of the Catskill Gun Club was well attended and a great success, the weather conditions being perfect. Events Nos. 2, 3, 4 and 5 were shot handicap. The Hopkins badge, event No. 2 was won by William Mattice, as was the Hunter badge, event No. 5. J. D. Knap won the silver cup, event No. 4, and William Schubert the L. & R. trophy, event No. 3. The club has ordered a Dickey Bird Auto-Trap to be used in conjunction with the Maugautrap, the growth of the club being such that it necessitates the use of two traps.
