

The Grand Canadian Handicap and the Amateur Championship of Canada

WON WITH

WINCHESTER

"Leader" Loaded Shotgun Shells

The big and successful Tournament of the Dominion of Canada Trap Shooting Association, held in Montreal, August 22-24, resulted in a sweeping victory for Winchester "Leader" Shells—the Red W Brand. The outcome shows that the shooting talent over the border wisely pin their faith to Winchester Shells as do their American brothers. Some of the most important victories won with them were:

- GRAND CANADIAN HANDICAP:** Won by Mr. R. B. Hutcheson, of Montreal. Score: 47x50, from 18 yards.
- GREY CUP,** awarded to shooter making highest average on all targets on program except for team matches. Won by Mr. J. E. Jennings. Score: 356.
- SPECIAL LONG RUN PRIZE:** Won by Mr. J. E. Brown, of Ottawa. Score: 49, from 19 yards.
- FIVE-MAN TEAM CHAMPIONSHIP, for MAIL TROPHY:** Won by Montreal Team. Score: 226x250. Four of the team used Winchester Shells.

- AMATEUR CHAMPIONSHIP OF CANADA:** Won by Mr. W. H. Ewing, of Montreal. Score: 50 straight.
- SPECIAL HIGH-AVERAGE PRIZE** for Amateur who had never shot in a Dominion Tournament before. Won by B. Beattie. Score: 356, from 19 yards.
- EIGHT-MAN TEAM CHAMPIONSHIP:** Won by Montreal Team. Score: 134x160. Six of the team used Winchester Shells.
- TWO-MAN TEAM CHAMPIONSHIP:** Won by Montreal Team. Both shooting Winchester Shells. Score: 38x40. 40 straight in first shoot-off and 39x40 in second shoot-off.

ARKANSAS STATE TOURNEY.

Twentieth Annual Event Attracts More Than Half Hundred Shooters to Fort Smith—Arnold Wins Championship.

By Paul R. Litzke.

Fort Smith, Ark., August 27.—The twentieth annual tournament of the Arkansas State Sportsmen's Association, which closed August 25, will go down in history as one of the most successful events of this prosperous organization. The entry list shows 66 names of participants during the three days of the shoot. On the first day 59 participated, on the second day 52, and on the last day 47. The weather was clear and bright each day, but excessively hot on the first two. The last day there was a drop in the temperature, but this brought with it a high wind that played havoc with the targets. Quite a few of the shooters who had been going along nicely found this too hard a proposition to master, and their scores suffered correspondingly. The program on the first day consisted of five 20-target sweeps, the individual State championship, 50 targets; the two and three-man team championship, 25 targets each, and the handicap at 50 targets. All of the above events were included in the day's averages with the exception of the handicap. The individual championship was won by E. C. Arnold, of Pine Bluff, on the excellent score of 49. Geo. W. Clements, of Little Rock, was the runner-up with 47. Of those not eligible to compete for the trophy Delaware D. Gross duplicated Arnold's score of 49, W. E. Grubb scored 48, and A. G. Schwake 47. The

TWO-MEN CHAMPIONSHIP

was won by Guy Chenault and Geo. Clements, of Little Rock, the former going straight and the latter dropping one, giving them the excellent team score of 49. Pine Bluff team No. 1, consisting of Arnold and Wells, with 25 and 23—48—came within one of tying this. The three-men team race showed Little Rock again to the front with W. Clements 25, Guy Chenault 24 and Dr. J. L. Dibrell 24—73. Pine Bluff's team, composed of E. J. Voss 24, J. E. Wells 23, and E. C. Arnold 20—67—were second. The handicap showed some remarkable shooting and for a time it appeared that Dr. J. L. Dibrell, shooting from 20 yards, would finish straight, as he ran 40 before dropping one, and then bunched two, finishing with 48. As fine a score as this failed to land him a winner, as J. P. Wright, of Camden, also a 20-yard man, scored 49, thereby capturing the trophy. In the professional class Homer Clark was high for the day, with 188. W. E. Grubb second with 186, D. D. Gross with 184 third. E. J. Voss, of Pine Bluff, led the "simon pure" class with 186. Guy Chenault and J. E. Wells tied for second with 184. Dr. Dibrell was third with 183. Two lady shooters participated, Mrs. Saxon and "Nettie King" (Mrs. Burrows). The former scored 74 and the latter 67 out of 100. The two Hawks boys, aged 12 and 14, attracted considerable attention. E. T. Hawks scored 154 and J. M. Hawks, Jr., 150. In several of the events these boys outshot many of their older competitors. The second day's program consisted of ten 20-target events, 200 shots.

H. D. FREEMAN LED

his class with 188. Clark, with 187, and D. D. Gross 187, tied for second, and W. E. Grubb fourth with 185. G. A. Schwake, of the amateurs, led this class with 192, which also landed him high over everybody for the day. Wells was second with 187 and T. F. Saxon third with 185. Dr. Dibrell fourth with 183. The last day saw Clark once more in the van with 191, Freeman second with 186, and Grubb third with 185. Wells led the amateurs with 188, Schwake second with 185 and Guy Chenault third with 182. Among the trade representatives Homer Clark was first for general average with 566, W. E. Grubb second with 556, and H. D. Freeman third with 555; Dell Gross was fourth with 544. High amateur average was won by J. E. Wells, of Pine Bluff, with 559, beating out G. A. Schwake, who finished one behind, with 558. Guy Chenault and Captain Saxon, with 546, were third, and Dr. Dibrell with 545 fifth. The special \$50 prize for the highest squad record of squads composed entirely of shooters all from one city or county was won by the Little Rock squad, composed of

Guy Chenault 546, Geo. Clements 538, John Pemberton 527, Gibson Thibault 512, and Lee Omohundro 499, total 2617. There was great rivalry between this and the Pine Bluff squad, composed of J. E. Wells 559, E. J. Voss 542, E. A. Howell 523, E. C. Arnold 518, and P. M. Kilroy 446, total 2586. All credit for the tourney is due E. R. Taylor, J. Walter Gillette and T. T. Omohundro, who did practically all the work prior to and during the shoot. Of these Omohundro shot through the entire program and led all in his class, who reside in the State.
