

District of Columbia Marksmen Win Team and Individual Championships of Short Range League

Shooting Remington-UMC (Formerly Called) Indoor Target Cartridges

WHICH SIMPLY REPEATS 1913'S STORY—

You will remember that the Park Club and Mr. D. I. Gould made the same winnings in last year's League series—

Again was Remington-UMC ammunition subjected to the most critical tests by many of the best shots in the United States. Not only the District of Columbia scores, but improved shooting on many other teams, have again proved Remington-UMC superiority—dependability.

Fifteen in La Crosse Club Shoot

La Crosse, Wis., February 27.—A field of 15 gunners shot over the traps of the LaCrosse Gun Club in four events of two each of ten targets and two each of 15 targets, in the teeth of a fierce Northeast gale that twisted and gyrated the saucers unmercifully, thus cutting a big swath into the averages of the shooters.
