TROPHY SHOOT FOR DU PONTS

Thirty-eight Compete for Prizes, and Bill Corey Proves Star.

Wilmington, Del., May 4.—The Du Pont Trap Shooting Club held its regular Coleman Du Pont spoon shoot on May 2, and despite the many counter attractions, 38 of the faithful were on hand to compete for the silverware. The feature of the day's shooting was the work of Bill Corey, who is rapidly attaining perfection as a marksman. Bill broke 91 out of the last 100 he shot at, and had two runs of 25 straight. Bill's record of 57 straight at the Yacht Club last week was the best score yet made on those grounds, and doubtless will stand for some time. L. D. Willis, the Western professional, was a visitor, and smashed 23 out of 25 of the elusive clay skimmers, and also did some good work from the 23 yard mark. Lawrence has been under the weather for three or four months, and his many friends are glad to see him enjoying his usual good health. Scores:

NOTES

J. D. McHugh and Stanley Tuchten disappointed their admirers when they both broke but 19. H. W. Bush was right up at the top. If Cap'n Bush will only stop flinching he'll break 'em all. Roy Craig broke 15, which looked good for the Class D spoon, until S. Reed happened along with 18. John Anderson and A. Bird tied for the Class C spoon, but Bird beat out John by one target in the shoot-off. John Minnick missed three out of 25 from the 22-yard mark, which is going some. John has his eye with him these days. Clyde Leedom was away off form. Clyde let one of the local blacksmiths adjust his gun, and now he can't break anything with it. William Coyne was out again for the first time in three months. He broke 20, and in a shoot-off with C. A. Haverbeck, came out victor. William Coyne and C. A. Haverbeck decided to hold an individual match for the Class C spoon, each having broken 20. They did and the former won. But—along came John Anderson and A. Bird with 22 each, also Class C men, and the first shoot-off between Coyne and Haverbeck "didn't go."

An automobile match was held with Joe Ben McHugh and John Minnick as the captains on the different sides. McHugh had lined up for him Stanley Tuchten, L. D. Willis, Karl Mayer and W. G. Wood, while John's cohorts were F. H. Springer, C. T. Martin, K. Nels Smith and W. A. Joslyn. The match ended, 196 to 195, in favor of McHugh, but Minnick claims there was a traitor in his camp, and refused to abide by the decision of the referee and scorer, so the match will be shot off next week.

Good Scoring Over Audubon Traps
Buffalo, N. Y., May 4.—The Buffalo Audubon Gun Club had its best conditions for

many weeks on May 2, and the boys did fairly good shooting considering the handicapping, which was from 16 to 23 yards. When the boys stepped up to 16, the targets looked as big as a bucket, and a score of 241x250 was turned in for the telegraphic contest. Ward was again high for the Marlin gun, which gives him four wins. Scores:
