**NEWCOMB'S REMARKABLE SCORE**  
**Philadelphia Amateur Makes Run of 192**  
**Straight Targets.**

Philadelphia, Pa., August 17.—Charles H. Newcomb, Philadelphia's famous amateur shot, made one of the finest runs of his career on August 15, in the S. S. White Gun Club's shoot, when he smashed 192 straight targets without a miss. This great piece of scoring occurred in the race for the Du Pont Pennsylvania State challenge trophy race. Jesse Griffith was Newcomb's opponent and broke 96, but Newcomb went through without a miss, getting 100 straight. He then continued his run and broke 92 straight more before missing. In addition to this, Newcomb also broke 98 out of 100 in the regular events, making a total of 290 out of 292. Harper had a run of 90 and Keene won the two trophies. The scores:

**FARRAGUT WINS TEAM RACE**  
**Camden Shooters Capture Exciting Event**  
**By Obtaining Early Lead.**

Moore, Pa., August 16.—The Farragut Sportsmen's Association, of Camden, N. J., defeated the White Flyer Club in an exciting team race by the score of 457 to 449. The visitors got off to a fine start and managed to hold their advantage to the finish, although the local team finished finely. The shooters were handicapped by a blazing sun which shone directly in their faces, and a high wind which blew throughout the match. For the Farraguts, Jones and Soley won dippers offered for the two high visitors, each cracking 48 of his 50. Slear, who ran a perfect score of 50, being classed as a professional, refused to take a dipper. Mrs. Moulton, the only woman competing in the field, broke 45. Fred Coleman, with 48, pulled down the spoon offered for the high man among the home folk
