MR. WOOLFOLK HENDERSON, of Lexington, Ky., was the victor in each of these great races, and in all of them he used PETERS SHELLS made with *"steel where steel belongs."* His performance stands without a parallel; no individual shooter and no make of ammunition has ever before won *all* of the world's greatest trap shooting honors, a fact which in itself is a marvelous tribute to Mr. Henderson's marksmanship and the *quality* of his ammunition. But in addition to this, he established a new *World's Amateur Record, 98 out of 100 from 22 yards,* the full significance of which will at once be apparent to every trap or field shooter.

Mr. Henderson's Scores Were as Follows: THE RACE FOR CHAMPIONS
