

All Trap Shooting Records Beaten!

The Three Big Events of the 1914 Grand American Handicap Tournament, Dayton, Ohio., September 8-12
1914 Grand American Handicap—1914 Amateur Championship, Single Targets—1914 Amateur Championship, Double Targets—WERE WON WITH

Peters Shells—The Famed P BRAND

Mr. Woolfolk Henderson, of Lexington, Ky., was the victor in each of these great races, and in all of them he used PETERS SHELLS, made with "steel where steel belongs." His performance stands without a parallel; no individual shooter and no make of ammunition has ever before won ALL of the world's greatest trap shooting honors, a fact which in itself is a marvelous tribute to Mr. Henderson's marksmanship and the QUALITY of his ammunition. But in addition to this he established a new *World's Amateur Record, 98 out of 100, from 22 yards.*

Mr. Henderson's scores were as follows: *The Race of Champions—For Amateur Championship of the United States, Single Targets, 99 ex 100 from 16 yards. Amateur Championship of the United States, Double Targets, 90 ex 100 from 16 yards. Grand American Handicap, 98 ex 100 from 22 yards. High Average for All Targets, 565 ex 600, was won by Mr. S. A. Huntley, using PETERS Shells, including 200 from 22 yards, 200 from 18 yards, 100 from 16 yards and 50 pairs. QUALITY COUNTS—and the P brand means SHOOTING QUALITY!*
