Henry Blofeld, *Wine, Women & Wickets*. James Fraser, Sydney, 1984. Illus. by Bill Mitchell. pp.111. \$12.95.

A light-hearted and lightweight string of anecdotes by international media gadfly, Henry 'Blofly' Blofeld, which has 'marginally more about wine and women' than wickets. However, veteran cricket-watcher Blofeld (who has seen around 200 Tests) does introduce a few worthwhile episodes such as his odyssey to the Sydney Hill to meet the owners of the 'Bespectacled Henry Blofly Stand' banner.
