

BOOK NOTES

Ian Jobling and Barry D. Wilson, *Energy and Equity - The Sports Sciences*. Proceedings 51st ANZAAS Congress, Sports Sciences Section, University of Queensland, 11-16 May 1981. pp.248. \$10. Available from Human Movement Studies, University of Queensland.'

While the proceedings will appeal more to those with an interest in sport and the behavioural sciences (there are sections on 'Exercise Biochemistry', 'Movement and Behaviour in Sport' and 'Nutrition and Exercise in Man') there are some papers which deal with 'Socio-historical Aspects of Sports Science' including one on 'Sport in Education' and one on 'Nudism in Sport'. Copies of the Conference proceedings are still available.
